## Conditions of Booking & Operations

### Individual or Group bookings

SB Repertor takes up to 12 passengers for sailing charters - as individuals or in groups. Confirmation of trips depends on location and a minimum of 8 bookings - we can often join individuals and smaller groups with others to make up numbers.

### Bookings and Fees

To confirm a booking, a deposit of 25% of the total fee should be paid, with the balance payable 4 weeks before the trip. To confirm bookings made less than 4 weeks before the trip, the full charter fee should be paid. Private charters for locations which require transfer passages may incur additional charges.

### Cancellation by the Passenger

If a passenger cancels their booking for a trip, their deposit fee is non-refundable. If the cancellation takes place less than 4 weeks before the start of the charter, the total charter fee is payable in full.

### Cancellation by the Owners or Agent

Confirmation of all charter trips is dependent on a minimum of 8 passengers booked. If 8 places have not been booked by 2 weeks before the start of the charter, the Owners or Agent may decide to cancel the charter and to return all fees deposited.

Every effort will be made to carry out charter trips as described but, if there is adverse weather or tides, it may be necessary to change or cancel the planned trip.

If it is possible to give 2 or more days notice of such change or cancellation, all charter fees deposited will be refunded. Wherever possible, passengers will be offered alternative charter dates and, if agreed, all fees deposited will be carried over to the new charter date. If, in the Skipper's opinion, it is unsafe, at the time, to depart for the charter, no refund will be made, but the barge, her crew and catering, as provided for the trip, will remain at the disposal of the passengers. No liability for compensation will be accepted by the Owners/Agent due to enforced change or cancellation of the trip.

### Insurance, Safety and Operations

SB Repertor is fully insured, certified and maintained, with life-saving and fire-fighting equipment, complying with Maritime and Coastguard Agency (MCA) standards.

For operation of the charter and the safety of SB Repertor, her passengers and crew, sailings are always subject to tides, weather, safety and the Skipper's decision, at the time, which is final.
