

THE THAMES SAILING BARGE

was the workhorse of coastal transport until well into the 20th Century. Barges are still sailing today as supreme examples of our maritime heritage of traditional working sail. The highly efficient spritsail rig, with over 400sq m (4,000sq ft) sail area, enables fast passage-making and needs only 2 working crew. The flat-bottomed hull and lifting leeboards allow access to even the shallowest creeks and swatchways. The tall topsail provides both windward performance and manoeuvrability in harbours and sheltered waters.

SB REPERTOR

Repertor was built in 1924, by Horlocks, bargemasters based in Mistley, on the River Stour, in Essex. She was their first steel barge and could load 140 tons of cargo, equal to 4 HGVs today. Nowadays, she carries people.

'Repertor' is Latin, meaning "discoverer; explorer; inventor; innovator; or deviser".

Join us for a cruise or a race and discover the skills of traditional working sail; or explore the rivers, creeks and harbours of the East Coast and North Kent; or sail up the London River to the heart of the City. Or let us devise for you a party or a team-building event in an unusual but memorable venue.

CRUISING

Come with us for a daytrip, weekend or longer cruise under sail. You can join in and learn (or practise) traditional sailing skills - or just relax and watch how it's done. We usually sail from Faversham, Queenborough, or Whitstable, subject to tides, or we can often provide trips from your port of choice along the East Coast and from London.

RACING

Barges can be fast and exciting to race - *Repertor* is often competitive and was Champion Barge in 2022 and in 5 other recent years. 9 Sailing Barge Matches (races) are held in most years, sometimes with up to 10-15 barges taking part - a magnificent sight!

CHARTERS & FUNCTIONS

Under sail, we can take up to 12 passengers - as individual bookings or as group charters. For quayside events we can accommodate up to 60 guests - for private parties, business functions, exhibitions, etc.

CATERING

We can provide catering to order, ranging from good home-style cooking to gourmet meals - or you can self-cater.

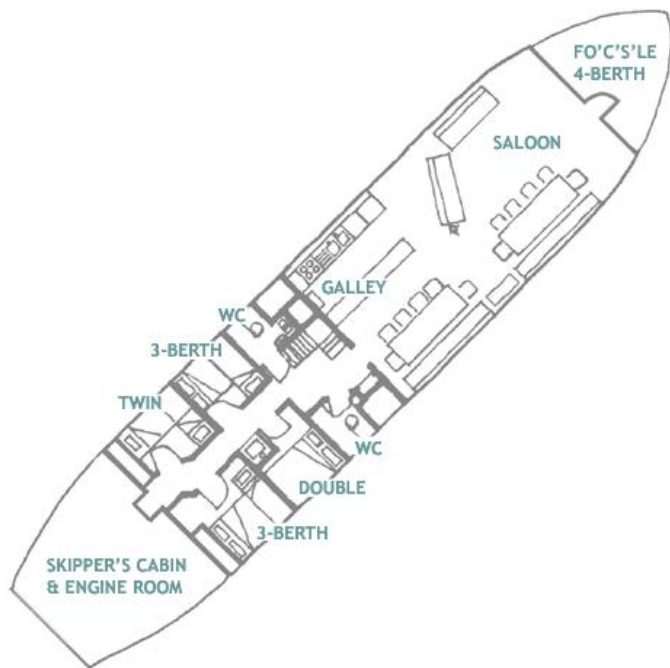

ACCOMMODATION

Full standing headroom below decks.

Saloon - 55 sq m (600 sq ft); open-plan galley with twin-oven cooker and fridges; seating for up to 24 diners or standing buffet for up to 60.
